

FILTRATION EFFICIENCY EARTH MOVING TECHNOLOGIES

EARTH MOVING TECHNOLOGIES

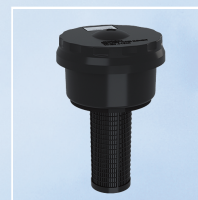

Today's earth moving machinery require **higher cleanliness standards**, and demand **higher filtration performance**. Owners of vehicles and equipment desire solutions providing **lower cost** of operation and ownership.

Filtrec offers a comprehensive line of filters and filter elements that include some of the industry's most **innovative solutions**.

You can rely on our products to work continuously in challenging environments where vehicle **performance, efficiency, and reliability** are critically important.
